Maybe even better than free.

You can give this download link to your friends by mail or instant messenger. We have no file size limit. Just upload the file you want to share with yourfriends and we send you a download link to your file. Files can be downloaded from any computer from our high speed servers. Keep your files private, or sendyour download links only to friends or family. You don't need any special software installed to be able to download your files. File is free to use with nogotchas and no hidden fees. It is also allowed to link to the download page from websites and communities. You can upload any type of file (movies, music,documents, images, zip files and more). There are no restrictions on the number of times a file can be downloaded. Any file in any format can be uploaded anddownloaded for free. When you use file, you avoid storing the file you're sending in your cloud storage or mail server. No account or credit card is required toget started. Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files thatcan be transferred within their apps. If only we could, we surely would! On the other hand, using file can actually save you money. Alternatively you canchoose to share your download links on blogs, forums and social networking sites. This is easy, fast and reliable filehosting! You don't need any kind ofpremium-accounts. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. Youdecide who you want to share your files with. So try our free and simple filehosting service now. filehosting provides an easy possibility for you to send largefiles to your friends. Simply upload your file and share the link. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file,data is being transferred between your computer or phone and our servers, then from our servers to your friends device. The cost of that data transfer is coveredby your internet service or the data plan on your phone. Using file, you can circumvent those limits without paying to upgrade your team chat service.Unfortunately, we can't make that part free. Our service is completely free for everyone.
